

A large, stylized 'C' logo, matching the one in the top logo, is centered in the upper half of the image. It is rendered in a gradient of orange and blue, with a white, wavy, textured interior. The logo is superimposed over a photograph of a factory interior, showing rows of large rolls of material on a conveyor system. The factory has a high ceiling with visible structural beams and lighting fixtures. The overall color palette is dominated by warm oranges and yellows.
