# Famjet Pleyon

The Future of the TIJ printing is now  
with the new HP® Bulk technology

Famjet Pleyon printer combines all the advantages of HP® Thermal Inkjet (TIJ) 2.5 technology with a reliable and flexible bulk ink delivery system. This new industrial printer meets the needs required in high volume printing applications on porous and non-porous substrates: superior print quality, high cost-efficiency and very low maintenance.

## Easy to install and to use:

compact HP® printhead and HP® bulk ink delivery system, Famjet controller with 7" touch-screen

## High performance:

powerful Famjet software, Android operating system, Wi-fi & LAN interface

## Cost-effective:

only one printhead for 1.200 ml. of ink means no production down-time for frequent cartridges replacement

## Maintenance free:

no pump, no air, genuine HP® TIJ technology

## Ecological:

no solvent steams, no waste of disposable cartridges

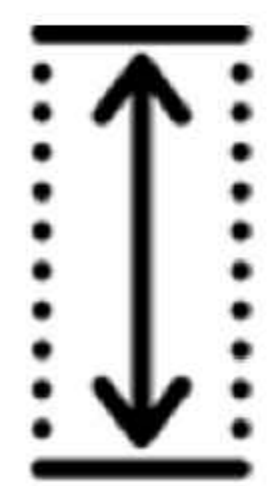

HP® black solvent inks deliver high-quality alphanumeric and barcode readable output, and come with long decap and fast dry time to achieve high-productivity intermittent printing for Pharma & Food packaging, Industrial coding and other applications.

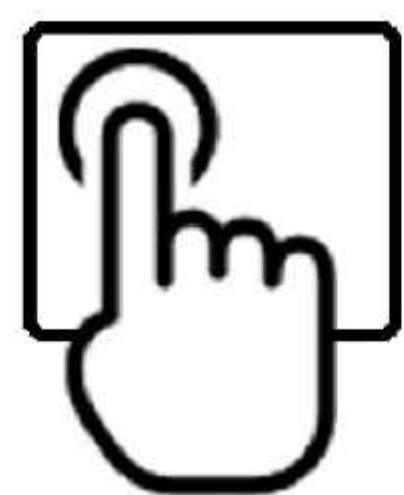

# Technical Specifications

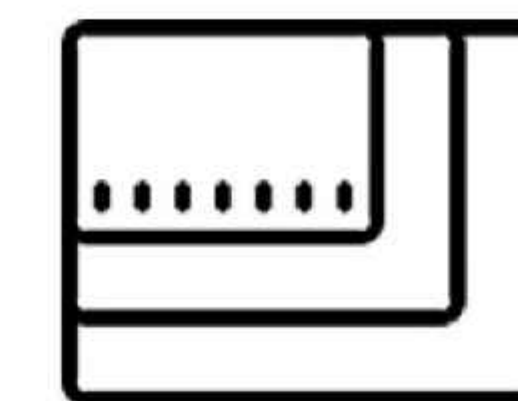

## Famjet Pleyon

**Printing height:**  
Up to 25 mm

**Display:**  
Touch Screen  
7"

**Resolution:**  
Up to 750 dpi

A<sup>B</sup>C

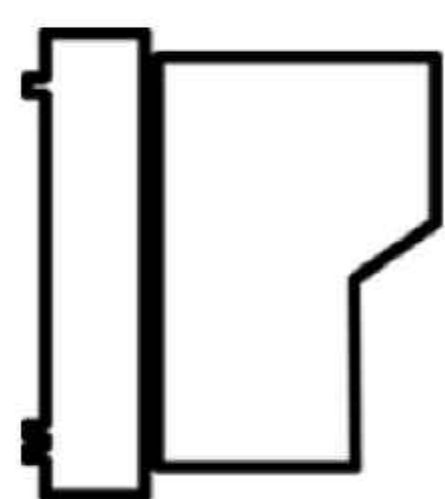

**Printing capabilities:**  
Text, Variable informations,  
Alphanumeric characters,  
logos, 1&2D Barcodes

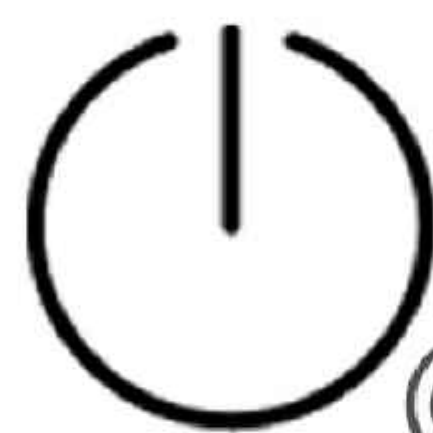

**Memory:**  
16 GB,  
32 GB optional

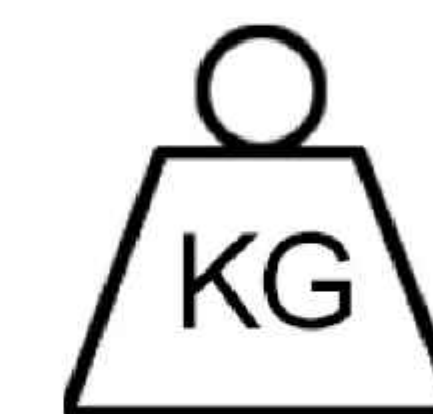

**User Interface:**  
USB, Ethernet,  
WI-FI connection,  
i/o port

**Consumables:**  
42ml printhead cartridge  
(life 1200ml)  
400ml bulk cartridge  
for porous and non porous applications

**Voltage:**  
AC:110v-220v  
@ 50-60Hz 1A: 15v,2A

**Weight:**  
6 kg

### DIMENSIONS

Width:  
107mm

Height:  
145mm
